

1. Use the **main search box** to search for content. Clicking or tapping on the search box will show the **Advanced Search** option that contains additional search parameters.

2. **Featured images and articles** appear on the homepage behind the search bar. Use the arrows to browse through all of the media and related content.

3. **Research Tools** include **My Research**, a personalised account to save research results; **Citation Builder**, a tool to create MLA, APA, and Harvard bibliography style formats; **Maps and Atlas**; and a **Browse by Subject** tool.

4. World Book editors break down the news and current events in the **Current Events: Behind the Headlines** feature, which includes quizzes and lesson plans.

5. World Book's **Biography Centre** contains tens of thousands of biographies. Choose one of the collections of biographies to get started exploring.

6. **Featured Videos** highlight interesting videos that have been recently added to World Book Student. Select one to view right on the homepage or choose "Learn More" for more information about the video topic.

7. **Educator Tools** can be found in the header on the homepage and in the footer on all pages, leading to curriculum correlations, Webquests, graphic organisers, and other teaching tools.

8.  Sign in to **Google Classroom**

9.  The **Main Menu** at the top right-hand side of every page provides quick access to all of the features on the site: Atlas, Behind the Headlines, Biography Centre, Browse by Subject, Citation Builder, Compare Places, Dictionary, Educator Tools, Google Classroom, How To Do Research, Interactive Maps, My Research, Timelines, Trivia Quizzes, What's New, and World Resources.

10. Go to other **World Book Products**.
